

## 19" Wall Cabinet

- Fully welded construction for strength and rigidity
- Lockable steel framed acrylic door for safety and security
- Front & rear mounting profiles (adjustable depth)
- Cable entry top & base with cover plate
- Quick release door hinges to improve access
- The side panels are vented to improve air flow

This is a strong and robust cabinet, fully welded construction, with a steel framed acrylic door, for safety and security. Quick release hinges allows easy access to load equipment and cables.

### Colour Specification

Paint Light Grey RAL7035

It has cable entry access via top and bottom with gland plates covers, and adjustable mounting angles. The side panels are ventilated to improve air flow.

Height (mm)	Width (mm)	Depth (mm)	Overall Height (mm)
9U	600	550	463
12U	600	550	595
