

- Steel Fire Dome
- 150°C Thermal Fuse
- Ceramic Terminal Block
- Fully Compliant with EN54-24
- Cert No: 0359-CPD-0120 Type A

20 Watt, flush mount ceiling speaker with innovative fitting system for fast and simple installation.

This loudspeaker has been carefully designed to satisfy the most critical eye. This unit is stylish yet unobtrusive and is supplied with fire dome.

It employs a two-way speaker system comprising a bass mid-range driver and separate tweeter. The bass response has been extended to give depth and warmth to both music and vocals. This drive unit has been carefully tailored to give an exceptionally smooth performance whilst still maintaining an unusually high sensitivity for this type of loudspeaker.
