

- U stamped mounting profiles to save installation time
- Lockable side panels with 'slam-lock' catches
- All around access via removable side panels and quick release doors
- Toughened smoked glass front door with swing key lock
- Lockable rear steel door
- Ventilated top cover with cable entry

This is a high quality cost effective freestanding cabinet range, with a bolted steel frame chassis for strength and stability, suitable for all your specific requirements.

#### Colour Specification

Epoxy powder paint Black RAL9005.

| Height (mm) | Width (mm) | Depth (mm) | Overall Height (mm) |
|-------------|------------|------------|---------------------|
| 12U         | 600        | 800        | 780                 |
| 16U         | 600        | 800        | 960                 |
| 26U         | 600        | 600        | 1410                |
| 26U         | 600        | 800        | 1410                |
