

## Product Documentation Disclaimer

### General

Protec Fire and Security Group Limited and associated companies (hereafter known as the Group) provides Product Documentation to support the use of its products in accordance with the following terms and conditions which shall apply to both hard copy and digital media including, but not limited to, product manuals, technical leaflets, wiring diagrams, technical videos and technical bulletins.

The supply of goods and services by any company in the Group must be carried out strictly in accordance with the conditions of sale available at: [www.protec.co.uk/terms](http://www.protec.co.uk/terms).

The Group excludes any liability arising from the use of such Product Documentation for all direct, indirect, and consequential damages however arising to the maximum extent permitted by law. For the purposes of this disclaimer, consequential damages shall include, but not be limited to, loss of profit or goodwill or similar monetary loss or any payment made or due to any third party.

### Document Revision

The Group's policy is one of continuous improvement, as such it reserves the right to make changes to such Product Documentation at any time and without prior notification. The content of such Product Documentation including, but not limited to, text, figures, tables, illustrations, specifications, schematics, images, videos, declarations, and certification is subject to change without notice. Product Documentation is uncontrolled when printed, and may be out of date when copied, always check the Group website for the latest controlled version: [www.protec.co.uk](http://www.protec.co.uk).

### Errors or Omissions

Product Documentation is created by the Group in the belief that its contents are correct and accurate at the date of publication or revision, however, the Group accepts that such Product Documentation may contain errors or omissions. No representation or warranty is given with respect to the correctness or accuracy of such Product Documentation. In no event shall the Group be liable for any damage resulting from the use of such Product Documentation.

### Local Standards and Regulations

Product Documentation may detail techniques or procedures which are incompatible with the standards or regulations of certain jurisdictions. In no event shall the Group be liable for non-compliance to the User's local standards and regulations resulting from use of such Product Documentation. Contact Group Support or an authorised distributor for support on local compliance: [support.protec.co.uk](mailto:support.protec.co.uk).

## Trained Persons

The Product Documentation may detail techniques or procedures which must be undertaken by suitably trained, skilled, and competent persons working to the relevant local standards and regulations. In no event shall the Group be liable for any damage resulting from untrained or unqualified persons using such Product Documentation. Product training for Users in the United Kingdom is available from Group Support: [support.protec.co.uk](http://support.protec.co.uk).

## Understanding

Support should be requested if the User requires clarification on the content or the interpretation of the Product Documentation, as a lack of understanding may result in damage, death, or injury. In no event shall the Group be liable for any damage, death or injury resulting from misunderstanding or misuse of such Product Documentation. Any questions or feedback regarding the content of such Product Documentation can be raised with Group Support: [support.protec.co.uk](http://support.protec.co.uk).

## Trademarks

Any trademarks referenced in the Product Documentation which are not owned by the Group are fully attributable to their rightful owners. No direct relationship is claimed between such trademark's rightful owners and the Group and no sponsorship or endorsement is claimed by using these trademarks. Such trademarks are only used in nominative fair use.

## Intellectual Property

The Group has developed and is the beneficial owner of the Intellectual Property Rights in all product designs and all software programmes which are incorporated in and operate its Voice Alarm, PA, CCTV, Fire Safety, Lighting, Audio and Security systems. Save solely for the purposes expressly permitted by and in accordance with s. 296A (1) CDPA or s. 50B (2) CDPA, no part of these product designs or programmes or of any other software comprised in any Goods may be copied, reproduced, reverse compiled, modified or adapted by any user without the Group's express licence in writing. All of the Intellectual Property Rights subsisting in or relating in any way to: (a) any drawings, reports, specifications, Product Documentation and other similar documents ("the Documents") provided or prepared by the Group, whether in hard copy or digital media; and (b) the Goods, and all Know-how embodied in, or used in connection with, any of the foregoing are and shall remain vested in and the sole property of the Group or its licensors.

## Headings

The Headings in this disclaimer are for guidance only and shall not be used in any way in the interpretation of its meaning.
