

36501-001 Business Management System (BMS) Policy

Protec Fire and Security Group Ltd. (hereafter known as the Organisation) comprising; Protec Fire Detection PLC, Gas Alarm Systems Ltd. and Protec Camerfield Ltd.

The Organisation's strategic direction and scope of activities include, but is not limited to, the design, manufacture, supply, installation, installation management, commissioning, servicing/maintenance of life safety systems namely fire detection and protection systems and gas detection systems.

The Organisation regards the promotion of a successful **Quality, Occupational Health, Safety and Environmental** strategy to be key elements in operating a successful business and that by doing so can set objectives and targets to maintain and continually improve our management systems, products, operations and services for stakeholders and interested parties to the Organisation.

Our Organisation is committed to providing safe and healthy working conditions for the prevention of work-related injury and ill health specific to its risks and opportunities and shall look to eliminate hazards and reduce risks.

Our environmental aspects and impacts covering our activities shall be identified and actioned in order to protect the environment, prevent pollution and meet other specific commitments.

We shall consult and encourage participation of workers including representatives where appointed.

By carrying out these actions this will allow for the Organisation to create opportunities for providing positive benefits throughout our supply chain and to ensure we meet our obligations and comply with all other requirements. We will continue to work closely with all stakeholders and interested parties, such as; clients, employees, contractors, suppliers, certification bodies & enforcing authorities.

In addition to these goals, it is the intent of The Organisation to fulfil and maintain legal compliance to relevant legislation and all other associated requirements, relevant to its undertakings.

With this in mind we are committed to complying with and continually improving our business management systems; BS EN ISO9001:2015, BS EN ISO14001:2015 & BS EN ISO45001:2018.

This policy is openly available upon request, online and within our Business Management Systems Manual(s).

Mr. Richard Heaton
CEO
Protec Fire and Security Group Ltd.
